1. Orders placed after 10:30am (UK time) will be processed with an order date starting from the following working day. This is due to the time difference, as our China based factory closes at 19:00pm (GMT+8).

2. Only working days can be counted as lead time.

Working days       Weekends  
 UK Holidays       Chinese Holidays

3. Unlike most competitors, Quick-teck treats the lead time as the manufacturing + shipping time, not just the manufacturing period.

4. Before some holiday periods in China: Labor Day(1<sup>st</sup> May), Nation Day(1<sup>st</sup> Oct), Chinese New Year Festival(normally middle of Jan to Feb), factory closure arrangement notices will be posted on the main page of the website. Please take note as this may affect your target date.

5. Quick-teck reserves the right to revise this calendar due to circumstances in the UK or our China factory.
